

Declaration of Intent to complete the Logic MinorEmail to jmgroome@berkeley.edu or to 314 Moses Hall

- I. All six required courses must be taken for a letter grade.
- II. Students may submit this form once they have completed two or more of the minor requirements.
- III. Students must maintain a minimum GPA of 2.0 in all six required courses and in all five required upper division courses.
- IV. Starting in Spring 2019, minors must be declared one term before graduation. Students graduating before this term can declare their minor in their last term.
- V. Only one upper division course can be used to overlap for both your major and minor.
